The Subcommittee on Technology Modernization has oversight and investigative jurisdiction over the Department of Veterans Affairs' major IT projects and technology modernization programs, such as the Electronic Health Record (EHR) modernization program and the Financial Management Business Transformation (FMBT). The Subcommittee also oversees cybersecurity, data privacy and management, and technology innovation at VA.

Irony alert! Trump hates weaponizing government—but his #1 fan girl @NancyMace is out here actually doing it. She lied on the House floor, used Capitol Police to go after an innocent ex-staffer, & helped her VA contractor friends cash in. And the kicker? Trump doesn't even like her. @CNN @BriHicks_PandC, you looking into this? #NancyMaceLies #SCPolitics #DOGE #WeaponizedGovernment

⌚ Joe Mitchell, It's Time to Ask @NancyMace the Hard Questions ⌚

At 5:00 PM today, @HarvardIOP is hosting @NancyMace, and @JoeMitchellINC is running the show. Joe—this is your chance. Will you hold her accountable, or just give her a free pass?

Because "No comment" is a comment, right? 😬

Joe, ask her anything. We all know she won't answer—but let's make sure everyone sees her refusal in real-time. Options:

- ◆ Who raped you? Call them out!
- ◆ What contracts did you assist () in securing in your role as a member of the VA Technology Subcommittee?
- ◆ How much money hit your account in February and why was it the same week you went public with your sex claims?

@NancyMace just got served with a defamation and libel lawsuit from Brian Musgrave! But the suit also names unnamed co-conspirators. Who could that be?

👉 VA contracts and Mace's BFF?
 Alexis Berg: John Osborne's ex?
 VA Contracts aka
 Other staffers: Speechwriters and enablers?

They better start backing up those texts and emails—because as this lawsuit unfolds, those receipts might be the only thing keeping them from cutting a million-dollar check. 💰

🔞 News Media Finally getting it right 🗣️
"Nancy Mace is a fucking bitch, and given the chance, she will ruin your life." – Thistle & Moss

@NancyMace has engaged in illegal hacking, disseminating classified information, embezzling public funds, and steering VA contracts to her close associates (@TeamDustoff, PGT), blackmailed, conspired, and lied to law enforcement.

Just as she betrayed @SpeakerMcCarthy, @NikkiHaley, her ex-staffers, her own sister, her ex-fiancé, and her former chief of staff, Daniel Hanlon (@DanielHanlonSC), she's now destroying innocent men with zero evidence, zero charges.

The truth is inevitable and will be revealed.

In the grand theater of American politics, where moral posturing often substitutes for actual integrity, few performances have been as nakedly self-serving and devastatingly harmful as Rep. Nancy Mace's recent character assassination of Brian Musgrave. What we witnessed wasn't just

The Congressional Slaughter: How Mace Turned the House Floor into a Kangaroo Court

Picture this nightmare scenario: You're going about your ordinary life—working, spending time with family, maybe planning your next vacation—when suddenly your phone starts blowing up. Friends, family, colleagues all reaching out with variations of "What the hell is going on?" You
